

## Local Organisations

Each year the Parish Council allocates funds (called Section 137 grants) which are available to local organisations to help them with specific costs. These grants are only available if they will benefit electors in the Heath and Holmewood Parish.

If you are a local club or organisation and would like to apply for a grant, please write to us telling us about your club, what you want to finance, how much it will cost and how much you want to apply for. The Council will discuss your application at its next meeting and advise you soon after.

Please address your letter to:
